ANNUAL REPORT 2011–2012

Hon'orable Vice chancellor, University of Delhi, Prof. Dinesh Singh, Guest of Honour Sh. *Jaswant Singh Rana*, MLA, Narela; Chairman, Governing body, Prof. *S.C.Bhatla*; Treasurer, Governing body, Prof. *Diwan Singh Rawat*, members of Governing body, distinguished guests; members of the teaching and non-teaching staff and dear students.

It gives me great pleasure to welcome you all on this august occasion of the 44th Annual Day Function of the college. We are indeed privileged with the gracious presence of an eminent academic, scholar and able administrator Prof. *Dinesh Singh* as chief guest and also Shri *Jaswant Singh Rana*, MLA, Narela as Guest of Honour.

Prof. Dinesh Singh is the Vice chancellor of University of Delhi since October 2010. Prior to his assuming charge as the Vice chancellor, he served as the Director of the University of Delhi South Campus. He has also been the Head of the Department of Mathematics of the University of Delhi. Apart from his present distinguished engagement, Prof. Singh is Adjunct Professor of Mathematics, University of Houston, USA since 1999 and is also the Director of Mathematical Sciences Foundation, Delhi. He serves as a member of several important committees of the Government of India such as the Scientific Advisory Committee to the Cabinet, on the senate of the Academy of Scientific & Innovative Research, the Steering Committees on Science & Technology and Higher & Technical Education, Planning Commission of India as well as a member of the Board of Governors of IIT Mumbai and as Chairman, Executive Committee of National Science Centre, Delhi. He is President Elect (Mathematical Sciences) of the Indian Science Congress Association in its centenary year and is also a member of the Governing Council of All India Institute of Medical Sciences, New Delhi. He is on the Boards, Executive Councils and Committees of many universities, professional bodies and institutions such as the UGC, Indian Science Congress Association, Centre for Mathematical Modeling & Computer Simulation, Bangalore; Committee of Central Advisory Board of Education (CABE) on University Reforms, National Board of Higher Mathematics etc. He has served as the chairman, Institute of Informatics & Communication from 2003 – 2005. At the international level too, Prof. Singh has been involved in many organizations promoting mathematical research and education. He has been the member of the Executive Organizing Committee of the International Congress of Mathematicians, 2010. In his capacity as visiting professor, he has lectured at various universities in the USA, Canada, Egypt, Australia and Europe. He is a graduate from St. Stephen's College, University of Delhi from where he also received his Masters and M. Phil degrees. He obtained his Ph.D. degree from the Imperial College of Science, Technology and Medicine, London. His area of specialization is Functional Analysis, Operator Theory, Harmonic Analysis on which he has published extensively

in national and international journals of high repute and has been awarded for his academic achievements. He has reviewed the refereed papers for several publications in India and abroad including the Mathematical Reviews. His contribution to the quality and effectiveness in furthering education and research has been widely acknowledged.

Prof. Singh has received prizes and honours for his academic achievements and takes an avid interest in literature (English and Hindi) and painting. His published article in hindi on the life of Evariste Galois has been widely acclaimed. He is a student of Gandhian philosophy.

On behalf of the Governing body, staff and students, I express my sincere appreciation and gratitude to Prof. Dinesh Singh for accepting our invitation to be the chief guest and grace the function. We welcome you, Sir.

Our other distinguished guest, Sh. Jaswant Singh Rana, is a well-known social activist of this area, who has worked extensively at the grass-root level. He is a member of the Delhi Legislative Assembly (MLA) from Narela. He was the Gram Pradhan of Kherakalan village and also the chairman of Alipur Block Pradhans. His contribution to the academic as well as infrastructure growth of the college in the past few years is highly appreciable. We welcome you, Sir.

Prof. S.C. Bhatla, Chairman, Governing Body is Dean, Faculty of Science, Delhi University and also head of Department of Botany, Delhi University. Prof. Bhatla is a fellow of the Alexander Von Humboldt Foundation, Germany, and also fellow of the National Academy of Sciences, India. He has published about 55 research papers, books and has completed a number of research assignments. He has supervised many M.Phil and Ph.D. research scholars at Delhi University. As chairman of the Governing Body of the college, he has played a very positive key role and his guidance has helped us in resolving many complex issues. It is indeed a great pleasure to welcome you, Sir.

Prof. Diwan S. Rawat joined the Department of Chemistry, Delhi University as Reader in July 2003 and was promoted to Professor in March 2010. He obtained his master's degree from Kumaun University, Nainital, Utrakhand and was honoured with the merit certificate. He did his Ph.D. from Central Drug Research Institute, Lucknow, UP/KU Nainital. Before joining University of Delhi, he was Assistant Professor of Medicinal Chemistry at *National Institute of Pharmaceutical Education and Research (NIPER)*, Mohali, India. He did his post doctoral work at Indiana University, Bloomington and Purdue University, West Lafayette, USA. Prof. Rawat has published 55 research articles in national/international journals, got three US and three Indian patents to his credit. His work has been cited over 850 times with h-index 17. Prof. Rawat has co-authored a book entitled "**Bioactive Marine Natural Products**" and has written three book chapters. Prof. Rawat is an Associate Editor of *Journal of the Indian Chemical Society* and *International Journal of Drug Discovery* and also he is a member of international editorial board of many journals such as *Marine Drugs*, *Anti-Cancer Agents in Medicinal Chemistry*, *The Open Catalysis Journal*, *Research and Reports in Medicinal Chemistry*, *Chemistry and Biology Interface* etc. Prof. Rawat has worked as a Guest Editor of *Anti-Cancer Agents in Medicinal Chemistry* in 2008, and 2012. He is

a recipient of CRSI young researcher award (2007), Prof. D. P. Chakraborty 60th Birth Anniversary Commemoration Award (2007), and ISCB young scientist award (2010), VC's Pratik Chinha Samman, Kumaun University, Nainital (2011).

ADMISSIONS

The total number of students in the college for 2011–2012 session is 3570. More significantly, the cut-off percentages for admission in 1st year to various courses have been steadily rising.

DEPARTMENT OF BOTANY

The faculty members of botany department have published a number of research papers and participated in seminars, workshops and conferences:

- Shantanu Mandal, Bhoopender Giri, V.P. Singh and Rupam Kapoor, 2012 Enhanced production of stevioside and rebaudioside–A in mycorrhizal *Stevia rebaudiana* is mediated via nutritional as well as non–nutritional mechanisms. *Phytochemistry* (communicated).
- Heikham Evelin, Bhoopender Giri and R. Kapoor 2012, Ultrastructural evidence for AMF mediated salt stress mitigation in *Trigonella foenum–graecum* Mycorrhiza (Communicated)
- Esha Sharma, S Pal, Bhoopender Giri and R. Kapoor, 2011 Molecular interactions among partners of arbuscular mycorrhizal symbiosis. *Review of Plant Pathology* (in press, invited review). Indian Society of Mycology and Plant Pathology.
- R Kapoor, H Evelin, P Mathur and Bhoopender Giri, 2011 Arbuscular mycorrhiza: approaches for abiotic stress tolerance in crop plants for sustainable agriculture “In: *Crop Improvement Under Adverse Conditions*” N. Tuteja and S. Gill (eds.) Springer Science + Business Media, New York, USA (in press).
- Heikham Evelin, Bhoopender Giri and R. Kapoor, 2011 Contribution of *Glomus intraradices* inoculation on nutrient acquisition and mitigation of ionic imbalance in NaCl stressed *Trigonella foenum–graecum*. *Mycorrhiza* (available online) Springer, New York.
- Poster presentation on “Mitigation of salt stress in *Trigonella foenum–graecum* by inoculation with *Glomus intraradices*” in **98th Indian Science Congress** held at SRM University, Chennai, India from 3rd–7th January, 2011. [**Received best poster presentation award**]
- Delivered a talk on “Arbuscular mycorrhizal fungi under salt stress conditions: genesis and functions” in **Indo–German workshop in the frame of the program “Initiation and Intensification of Bilateral Cooperation** held on 22nd–24th March, 2011 at Amity University Campus, Noida, India.
- Participated in the workshop on **Fundamentals of Bioinformatics**, organized by the Department of Botany, Ramjas College at the Institute of Life Long Learning, University of Delhi, Delhi from 26th–30th September, 2011.

DEPARTMENT OF CHEMISTRY

Dr. S.B. Tyagi, was actively involved in the following academic activities; at Centre for Professional Development in Higher Education, University of Delhi. He has been the convener for refresher course in Chemistry from 1st to 22nd December, 2011, a resource person at other refresher courses, supervised practical work and projects, presentation and evaluation, and took a keen interest in arranging excursions of students.

Dr. Pradeep Pratap Singh has published papers in the International journals:

- Chemoselective epoxidation of substrate containing both electron rich and electron deficient olefins catalyzed by tetraaryl–PORPHYRINATO IRON (iii) porphyrins in ionic liquids. *New journal of Chemistry* : 2011.

- Activity guided isolation of antioxidant xanthenes from *Swertia Chirayita*, Natural Product Research, 2011.
- Activity guided isolation of antioxidants from *Rheum emode*, Natural Product Research, 2012 (accepted).

Dr. Saraswati Kanodia has excelled in research work and has contributed research paper titled "Regioselective mononitration of coumarens using claycop reagent" published in "Journal of Indian Chemical Society" in December 2011. The abstract of this paper has been selected for citation by Cheminform, one of the world's leading chemical abstract services in January 2012; Research paper titled "Green synthesis of Thiophenyl-1, 4-naphthoquinones having antitumor and antibacterial activities" has been accepted by "Journal of Indian Chemical Society" in September, 2011. She has also participated in the UGC sponsored refresher course in Chemistry conducted by CPDHE-ILLL, University of Delhi, and in a two day National Seminar on "Role of analytical techniques in biological and environmental sciences" held at the Conference Centre, University of Delhi.

Dr. Suman Yadav, as in the previous years, has continued dissemination of knowledge in her field. She participated as a Guest Lecturer in the short term training course on "Surface coating technology" organised by IPCA, Colour Society of FIIT, IIT, Delhi from 24th-25th July, did a certificate course in energy, environment & climate change management. A joint venture of Ministry of New & Renewable Energy (Govt. of India of National Capital Territory at Delhi) Bakoli, Delhi-110036 from November to February 2011, and participated in International Conference on Stress, Health, Society and Technology organized by IISMAAS from 20th-21st April, 2011 held at JNU.

She was a resource person at 1st National Training on Rain Water Harvesting by Ministry of Earth Sciences, Govt. of India, Sri Guru Teg Bahadur Khalsa College from 16th-19th August, 2011.

Dr. Suman Yadav has contributed a paper on Globalization and Environment to the Global Journal, 2011. She is associated with various professional bodies.

- Attended a seminar Comparative Literature, Satyawati College, University of Delhi.

DEPARTMENT OF HISTORY

A.N. Jha, Associate Professor delivered the key-note address in a UGC sponsored National Seminar entitled "Challenges Before the Higher Education in India," organized by the post graduate department of History, S.K.M. University, Dumka, Jharkhand held in January, 2012. He has also been invited to chair a technical session in a U.G.C. sponsored national seminar organized by the P.G. Department of History, S.K.M. University, Dumka, Jharkhand to be held in March, 2012. His research paper on ancient history of Santal Parganas has also been accepted for presentation in the U.G.C. sponsored national seminar organized by the P.G. Department of History, S.K.M. University, Dumka, Jharkhand to be held in March, 2012.

Dr. Jha Published three research papers during last one year in the refereed Journal 'Anusandhanika' in its January, 2011; July, 2011 and January, 2012 issues respectively. These papers are titled as :

1. Religion and Making of a Region: A study of the Baidyanath Cult.
2. The Baidyanath Cult: A Synthesis of Shaiv and Shakta Tantra.
3. Integration of Vajrayan Buddhism into the Baidyanath Cult.

Dr. Sadhna Kushwaha, Assistant Professor, History Deptt., has attended a conference on "Structures of Exclusion in South Asia" organized by the Indian Formation Research Society from 23rd November to 25th November at conference rooms, student centre, University of Delhi.

DEPARTMENT OF MATHEMATICS

Dr. Syed Haider Raza published four books:

1. Mathematics for Chemistry, B. Sc (Hons.), Chemistry– 1st Semester
 2. Mathematics for Chemistry, B. Sc (Hons.), Chemistry– 1st Semester
 3. Probability and Statistics, B. Sc (Hons.), Mathematics
 4. Differential Equations, B. Sc (Hons.)– Mathematics (under print)
-

Ms. Rajender Kaur has attended advance training in mathematics for lecturer held at Department of Mathematics, University of Delhi for two weeks.

DEPARTMENT OF MICROBIOLOGY

The department organized a six-week Entrepreneurship Skill Development Program (ESDP) during 23rd Aug. to 30th September, 2011 in collaboration with Micro, Small, Medium Enterprises (MSME) – Development Institute, Ministry of MSME, Okhla, New Delhi. The program co-ordinator from the college was Dr. A. Archana, and it was attended by the 2nd and 3rd year students of Microbiology. These students are now equipped to start their own small scale enterprise as well as eligible to procure loans from Government agencies. Dr. A. Archana and Dr. Anjana Kapoor delivered lectures on biotechnology in this programme. Lectures on fund procurement, making project reports etc. were delivered by guest faculty who came from the funding agencies.

Dr. Anjana Kapoor and Dr. A. Archana also delivered a few guest lectures on Food Microbiology and Food Safety in another 6-week ESDP program on Food Technology in September, 2011 at MSME–DI Institute, Okhla.

Dr. Anjana Kapoor was a jury member for “INSPIRE” projects made by school students, an event sponsored by DST at Pragati Maidan on 14th August, 2011.

Dr. Anjana Kapoor and Dr. A. Archana attended a one day Seminar organized by Indian Science Congress, Delhi Chapter in December, 2011. Both of them also visited the Food–Technology Show–2011 and the India Packaging Show Expo–2011 at NSIC (National Small Scale Industries Corporation) at Okhla, as well as the Lab India Exhibition at Pragati Maidan in December, 2011.

Dr. Anjana Kapoor attended a discussion on the applications on stem cell therapy at Chinmaya Mission, Lodhi Road on December, 2011.

Students of all three years attended a two day inter-college microbiology festival at Gargi college on 12th–13th January, 2012, wherein they participated in Quiz, Debate, Ad–Mad, Tattoo making and Rangoli competitions. **Two of our 3rd semester students, Shalini and Bharti bagged the 2nd prize in Rangoli competition on a Microbiology topic.**

Dr. S.K. Srivastava, Dr. Anjana Kapoor, Dr. A. Archana, Dr. Parvinder Kaur and Dr. Anoop Batra, alongwith students of Microbiology Department attended a one day inter-college microbiology festival on 17th February, 2012 at Bhaskaracharya College of Applied Sciences, where students participated in online Power # Point presentation on their dream project, quiz and poster presentation.

The faculty members and the students of department of microbiology have attended a one day biotechnology workshop on “The Emerging Trends and Opportunities in India” on 15th March, 2012 at Tata Energy Research Institute, Vasant Kunj. An educational trip is being planned for microbiology students to National Dairy Research Institute (NDRI), Karnal in March, 2012.

Dr. S.K. Srivastava has the following achievements to his credit:

1. He attended an International Meeting cum Workshop on 1st Global Forum on

- Bacterial Infections Balancing Treatment Access and Antibiotic Resistance held on 3rd–5th Oct., 2011 at the India Habitat Centre, New Delhi.
2. Participated in an International Symposium on Improving Tuberculosis Care And Control held on 4th Nov., 2011 at All India Institute of Medical Sciences (AIIMS, New Delhi).
 3. Participated in an International Conference cum Workshop on New Horizons in Cancer Research of the American Association for Cancer Research (AACR) held on 24th–27th Dec., 2011 at Leela Kempinski, Gurgaon.
 4. Presented a paper entitled Some Applications of Plant Viruses and Bacteriophages in Nanobiotechnology and Nanomedicine in an International Conference on Plant Biotechnology from 22nd–24th Feb., 2012 held at the National Science Complex, PUSA, New Delhi.
 5. Presented a lead paper entitled Biomedical Applications of Viral Nanoparticles in an International Conference of Biotechnology Society of India on 24th–25th Feb., 2012 held at the Institute of Liver and Biliary Sciences, Vasant Kunj, New Delhi.
 6. Presented a paper entitled Applications of Viruses in Nanobiotechnology, Nanomedicine and Nanomaterials in the International Conference cum Workshop on Nanostructured Ceramics and other Nanomaterials (ICWNCN) from 12th–16th, Mar., 2012, at the Conference Centre, University of Delhi, Delhi.

DEPARTMENT OF PHYSICS

Dr. Vinod Prasad, department of physics and his research group published the following papers in international and national journals:

1. Modifications of laser field assisted intersubband transitions in a coupled quantum wells due to static electric field, V. Prasad and B. Dahiya : *Physical Status Solidi (b)* 248, 1727 (2011).
2. Effect of laser radiation on optical properties of disk shaped quantum dot in magnetic fields, Vinod Prasad, Poonam Silotia : *Physics Letters A* 375, 3910 (2011),
3. Ionization and population transfer in lithium Rydberg states with ultrashort chirped laser pulses. B.Dahiya, D. Munjal and V. Prasad : *Indian. Journal of Physics*, Vol. 85, p. 1721(2011).
4. I–mixing collisions in presence of microwave fields, U. Arya, B. Dahiya and V. Prasad : *Journal of Modern Physics*, Vol.3, pp 28–326 (2012).

In addition to the papers published, papers were also presented in the international conference mentioned below: 3rd International Conference on Current Development in Atomic, Molecular, Optical and Nano Physics with Application (CDAMOP). Department of Physics and Astrophysics, University of Delhi (14th–16th, Dec., 2011).

Papers are also to be presented in the following upcoming conferences:

1. Nanostructured Ceramics and other Nanomaterials to be held at the Department of Physics and Astrophysics, University of Delhi, 13th–16th March, 2012)
2. ICQAMPP 2012 : International Conference on Quantum, Atomic, Molecular and Plasma Physics to be held at Madrid Spain, 28th–30th March, 2012.

It is a matter of pride that Dr. Vinod Prasad has been invited to review the research articles in following international journals: Physics Letters A Journal of Atomic, Molecular and Optical Physics.

Dr. Mukesh Rana has several papers this year to his credit. Some are listed below :

- A new approach to constants of motion and the Helmholtz conditions; in international journal: Advances in Physics Theories and Applications, Vol. 3 (2011), 7–9.
- On A Non-Variational Viewpoint In Newtonian Mechanics, accepted for publication in international journal: Advances in Theoretical and Mathematical Physics.
- New perspective on conservation laws, accepted for publication in International Journal of Physics No.1 Jan.–June, 2012.
- E-Proceeding of Short Term Courses on Energy, Environment & Climate Change Management organized jointly by SSNC & MGICCC, Government of NCT, Delhi.
- Proceeding of National Workshop on Computational Science, organized at Dept. of Physics & Astrophysics, North Campus, University of Delhi and Sponsor by : UGC, DST, DBT, CSIR, DRDO, INSA, Mo IT & C , published by Excel India Publishers.

He successfully conducted a three month Short Term add-on course on Energy & Climate Change with focus on computational methods/techniques, 2012 Mahatma Gandhi Institute of Combating climate change, Government of NCT, Delhi. He is currently working to bring to organize National Seminar on Electrical Energy: Safety & Conservation in the college.

DEPARTMENT OF POLITICAL SCIENCE

Department of Political Science has successfully organized a talk on “Relations between Representative and Direct Democracy in India” by Professor M.P. Singh, former head and dean, department of political science, University of Delhi.

Mr. Manish Kumar has successfully completed his refresher course on gender studies from CPDHE, Delhi University from 19th December 2011 to 7th January 2012. Mr. Manish Kumar has also participated in a national seminar on Human Rights and its changes at Lakshmi Bai College, University of Delhi on 27th February, 2012.

Mr. Pankaj Lakhera has presented a paper titled "Globalization and the labour regime in India: the structure of exclusion for the labour class." the paper was presented at a conference, "structure of exclusion in south asia", held at the University of Delhi from 23rd–25th Nov., 2011, under the patronage of Prof. K.M. Shrimali of Department of History of University of Delhi.

Mr. Krishna Murari has published several papers in national various books: “Option-Less Democracy”, in Alternative Economic Survey, India, 2011, Economic Growth and Development in India: Deepening Divergence, New Delhi: Yuvasamvad Prakashan, 2012. His second paper (co-authored with Prof. M.P. Singh) is “Impact of Neoliberalism

on Indian Polity” in Alternative Economic Survey, India, 2011, Economic Growth and Development in India: Deepening Divergence, New Delhi: Yuvasamvad Prakashan, 2012, it has also been online published <socialscience.in>, August 27th, 2011. His third paper is “Navudarvadi Partiyon ka Pakhand: Nitiyon par Ekmat Dikhave ka Virodh”, in K. N. Kabra et. al. Bharat me Arthik Vridhi Evm Vikas: Ghrate Antarvirodh 1991–2011, New Delhi: Yuvasamvad Prakashan, 2011(Hindi), he has also published in Yuva Samvad, No. 105, December, 2011.

DEPARTMENT OF SANSKRIT

Department of Sanskrit organized a seminar on the topic “Culture in the Sanskrit Literature” on 21st March, 2012. Prof. Ramesh Bhardwaj, Department of Sanskrit, University of Delhi was the prominent speaker in this seminar. Dr. A.K. Dubey participated in an international seminar on “Panchatantra: A Cross Culture World” organised by department of Sanskrit collaboration with Iran in December, 2011. Dr. Dubey also participated in many national seminars and lecture series organized by different departments.

DEPARTMENT OF ZOOLOGY

The faculty and students of department Zoology have been engaged in fruitful activities. A short list of their engagement is given below:

Dr. Rajni Arora attended workshop on *Drosophila* genetics on 28th–29th January, 2012 in the Department of Zoology.

Dr. Neera Mehra attended a workshop on Phylogenetics: Principal & Practice on 27th – 28th Aug., 2011 organized jointly by (Institute of Life Long Learning) ILLL, Khalsa College and Botany Department, University of Delhi.

Dr. Gauri Mishra attended the symposium on Recent Trends in Developing Bioremediation Strategies for Hexachlorocyclohexane (HCH) & Other Chlorinated Contaminants during 9th–11th February, 2011, Organized by– Department of Zoology, University of Delhi, Delhi, India. Dr. Gauri Mishra reviewed articles for couple of esteemed International journals of Oncology (both American and European). Dr. Gauri Mishra participated in the Orientation Programme organized by Centre for Professional Development in Higher Education in March, 2011. Dr. Gauri Mishra published a paper In vitro and in vivo evaluation of (^{99m}Tc–DO3A–EA–Folate for receptor–mediated targeting of folate positive tumors in Journal of Drug Targeting (Mishra, G; Hazari, P.P.; Kumar, N; Mishra, A.K.; 2011 Mar. 22, 1–9)

Dr. Tanushri Saxena participated in national workshop on Evolutionary perspective in modern biological teaching and research on 9th–10th May, 2011 organized by (Institute of Life Long Learning) ILLL and Center of Science Education & Communication, University of Delhi in collaboration with Acharya Narendra Dev College, University of Delhi.

Dr. S.K. Sagar, was elected as Academic Council member of University of Delhi and also as President of Staff Association of the college.

Sh. Rajesh Khatri and Sh. Satish Kumar, attended Laboratory Training Programme

(USIC) form 6th–24th Dec., 2011.

CAREER–COUNSELING AND PLACEMENT

Dr. S. B. Tyagi, has contributed appreciably as convener of career counseling and placement cell, Two of our students of applied life sciences have been placed as executive at Dhanuka, Agritech Ltd. With good packages. Mr. Kamal Kumar Sr. G.M. from Dhanuka delivered an impressive lecture on carrier prospects in agro industry in India and in his company too.

Apart from this other prominent technological and financial institutions such as IIJT, Frankfinn, EDI, DICS, Roman Technology and T.I.M.E etc. also visited our college and provided an exposure to various facets of sustainable development. The speakers during presentation highlighted how history is full of cases of dynamism not only the male but the women entrepreneurs also, who fought against odds to make a mark. The programme was well received by the participants who appreciated the inputs and the knowledge imparted to them. The general opinion of the students was that the information shared with them had changed new dimensions of their understanding and would go a long way in helping them for a successful future.

PROCTORIAL BOARD

The Proctorial Board under the convenorship of Dr. Aditi Gupta did a remarkable job of enforcing discipline among students. She deserves a lot of appreciation for her dedication and integrity.

ACADEMIC ADVISORY COMMITTEE

The Academic Advisory Committee under the convenorship of Sh. R.K. Srivastaava did a commendable job in streamlining the process of examination reforms in the college. This includes conducting the Home Examination, strengthening Internal Evaluation process and setting up the master time–table for the smooth functioning of the academic schedule of the college.

ACHIEVEMENTS OF ADMINISTRATIVE STAFF

During the last year, we have been able to achieve all–round improvement in the functioning of the administration and accounts section of the college. For affecting these reforms, credit for this goes to Mr. Dharam Veer Bhardwaj, Administrative Officer, Mrs. Kanchan Saluja, S.O. (Accounts), Mr. S.K. Dahiya, S.O. (Admn.) and Mr. Rahul Pathak, Sr. Assistant among others. The staff have worked overtime to quickly mitigate difficulties arising out of implementation of the VI Pay Commission recommendation. With their support, we have been able to introduce overall computerization of the college functioning both in the administration and the accounts departments. It may be mentioned here with a smile of success that Shri Dharam Veer Bhardwaj, Administrative officer has passed MBA in HR in 2011.

LIBRARY SERVICES

The college offers ample reading room and library to the students and faculty. There are about 85,000 books in the library at present and about 2,000 books are added every

year. The library is housed in the spacious two floor annex of the new college building. The library subscribes to more than 40 journals and periodicals and 24 newspapers which provide the latest information on current events and affairs. Large-scale computerization of the library is under progress and internet facility is already available in the college. Computer room in the library will soon be fitted with air conditioners. A display board displaying the latest books and periodicals has been set up in the reading room which is of great help to students and teachers alike. A separate reading room for teachers is ready provides the much-needed space for teachers to work and prepare their lectures. I thank differently abled members have been provided a separate well maintained cabin with computer facility. To search different type of E-materials, Internet browsing facility is available in the library.

The library committee convener Dr. Bhoopender Giri and members of the committee and staff of the library deserve a word of appreciation for their efforts in this direction.

GAMES AND SPORTS

Sport persons of Swami Shraddhanand college have been consistently performing well since the inception of the college. In the events like **Baseball, Softball, Kabaddi, Kho-Kho and Wrestling** teams have done extremely well. Their achievements this year are

listed below:

1. The Baseball team has won the silver medal in the Inter-college championship. Four of our players were selected for Delhi University team that participated in All India Inter University Baseball Tournament held at Revansho, University Cuttack, Odisha. The team won the gold medal in All India Inter University championship. The selected members are **Pradeep Kumar (Captain, Delhi University Team)** Rohit Rai, Rahul Gour and Aman Singh Rana.
2. In Kho-Kho, **Saket Jha (Captain, Delhi University Team)** Salman, Ravinder and Hitesh Khatri represented Delhi University in the North-East Zone Inter-University Kho-Kho championship held at Faizabad (U.P).
3. Our team has won the Inter-college wrestling championship- **Amit won the Gold Medal in 74 kg.** weight category, **Sumit won the Silver Medal** in 55 kg. weight category, **Vijay Gautam won the Silver Medal** in 84 kg. weight category, Vijay Khatri won the Bronze Medal in 60 kg. weight category, **Sandeep won the Bronze Medal** in 66 kg. weight category and Amit won the Bronze Medal in 96 kg. weight Category. Amit and Vijay Gautam represented Delhi University team for All India Inter University Wrestling Championship held at Ch. Devi Lal University, Sirsa. (Haryana).
4. In the Soft ball Inter-college tournament our team won the **Gold Medal**. Rahul Gaur, Akash, Kapil and Naresh Kumar, were selected for Delhi University Soft ball team that participated in All India Inter-university Tournament held at Punjab University, Chandigarh.
5. In the Inter-college Tournament Judo **Nitin** won the **Bronze Medal** in 55 kg. weight category, **Sanju Rana** won the **Bronze Medal** in 81 kg. weight category and **Amit** won the **Gold Medal** In 100 kg. category.
6. Our Kabaddi team got the second position in the Inter-college Kabaddi Tournament. Four of our players-**Narender Kumar, Deepak Rana, Rohit Sharma and Deepak Khatri** represented **Delhi University** in North Zone Inter-university competition held at Y.S. Parmar University, Solan, Himachal Pradesh.
7. In the Inter-college Athletics meet **Vikas Gulia** won the **Silver Medal** in 200 meter race and **Sandeep Tomar** won the **Bronze Medal** in Half Marathon Race. In the All India Inter-university Championship **Vikas Guila** won the **Gold Medal** in 4x100 relay race. In the All India Inter University Cross Country Championship Sandeep Tomar and Savan represented Delhi University held at M.D. University, Rohtak, Haryana.
8. Our cricket team has also reached quarter final stage in the Inter-college tournament. Naveen Kumar, Vipin Khatri, Sandeep Rana, Ashish Dabas and Amit Thakran showed outstanding performance.
9. The college also organized the Inter-Class sporting event this year on 12 March, 2012 were declared Best Athletes in the boys and girls category respectively.

Last but not the least I wish to thank the members of the sports committee comprising Dr. Gajendra Gaur, Dr. Joginder Singh, Dr. Pradeep Kumar, Dr. Saroj Bala and Dr. Preeti Sachar

for their whole-hearted support and guidance.

NCC (ARMY WING), SENIOR DIVISION (BOYS)

Like the previous years, this year too, all the sanctioned ninety seats have been filled up. Kapil Kumar of B.Sc. Physics (H) II year was appointed as Senior Under Officer (SUO). Cadets have participated in many NCC-related activities this year. These include CATC Camp – Jaffarpur, Delhi in the month of May 2011, National Integration Camp (NIC) III, Kapil Kumar, SUO participated. In All India Advanced Leadership Camp (ALC) held in Bhuj, Gujrat in December 2011.

Four other cadets from our college also participated in this camp, In Annual training camp held at Karal, Delhi, from 27th December 2011 to 7th January 2012, in which 21 cadets from our college participated.

ACADEMIC

NCC cadets of our college also appeared in B certificate (15) and C certificate (10) examination. All these achievements are due to the great interest of the cadets. Special thanks are also due to CO, Lt. Col. R.M. Singh, for his highly professional and commendable guidance and motivation. Thanks are also due for Manju J.A. Sheriff for his deep involvement and encouragement.

NCC (GIRLS WING)

In the session 2011-2012, 160 Girl cadets of the college participated in NCCC programmes under the guidance of Lt. Sushila Thakran. NCC camp cadets underwent training of drill, signal, weapons and medical. Cadets also attended various local and trekking camps and activities held during the academic year 2011-12. 40 Girl cadets participated in CATC (RPV), Harinagar. 7 Girls cadets participated in NIC Tamilnadu. 39 cadets participated in CATC, Delhi Cantt. Roopa Gupta was appointed as Senior Under Officer. Sonu, Neha and Tamana were appointed as Junior under Officers.

ACADEMIC ACHIEVEMENTS

Mr. Kumar Desh Deepak, B.A. (Hons.) History, Semester I has secured Ist position in North Campus and IIIrd position in Delhi University.

INFRASTRUCTURAL ACHIEVEMENTS

I have the pleasure to say that the dignitaries on the dias have made a positive and meaningful contribution to the growth of the college. I am confident that we will continue to have privilege of their extended whole-hearted support to the college in the future too. The Vice-Chancellor of the University has always not only inculcated the sense of excellence in academics but has supported us in creating better infrastructure for the benefit of students and staff alike. The college has been able to improve upon sanitation by renovating and providing better facilities in wash-rooms, improving office environment through computerization, establishing seminar rooms, equipping class rooms with adequate furniture, establishing computer laboratories and Wi-Fi system, improving horticulture work, building cemented roads in the old campus, creating play grounds and a stage for cultural activities, such as music, dance

for their whole-hearted support and guidance.

NCC (ARMY WING), SENIOR DIVISION (BOYS)

Like the previous years, this year too, all the sanctioned ninety seats have been filled up. Kapil Kumar of B.Sc. Physics (H) II year was appointed as Senior Under Officer (SUO). Cadets have participated in many NCC-related activities this year. These include CATC Camp – Jaffarpur, Delhi in the month of May 2011, National Integration Camp (NIC) III, Kapil Kumar, SUO participated. In All India Advanced Leadership Camp (ALC) held in Bhuj, Gujrat in December 2011.

Four other cadets from our college also participated in this camp, In Annual training camp held at Karal, Delhi, from 27th December 2011 to 7th January 2012, in which 21 cadets from our college participated.

ACADEMIC

NCC cadets of our college also appeared in B certificate (15) and C certificate (10) examination. All these achievements are due to the great interest of the cadets. Special thanks are also due to CO, Lt. Col. R.M. Singh, for his highly professional and commendable guidance and motivation. Thanks are also due for Manju J.A. Sheriff for his deep involvement and encouragement.

NCC (GIRLS WING)

In the session 2011-2012, 160 Girl cadets of the college participated in NCCC programmes under the guidance of Lt. Sushila Thakran. NCC camp cadets underwent training of drill, signal, weapons and medical. Cadets also attended various local and trekking camps and activities held during the academic year 2011-12. 40 Girl cadets participated in CATC (RPV), Harinagar. 7 Girls cadets participated in NIC Tamilnadu. 39 cadets participated in CATC, Delhi Cantt. Roopa Gupta was appointed as Senior Under Officer. Sonu, Neha and Tamana were appointed as Junior under Officers.

ACADEMIC ACHIEVEMENTS

Mr. Kumar Desh Deepak, B.A. (Hons.) History, Semester I has secured Ist position in North Campus and IIIrd position in Delhi University.

INFRASTRUCTURAL ACHIEVEMENTS

I have the pleasure to say that the dignitaries on the dias have made a positive and meaningful contribution to the growth of the college. I am confident that we will continue to have privilege of their extended whole-hearted support to the college in the future too. The Vice-Chancellor of the University has always not only inculcated the sense of excellence in academics but has supported us in creating better infrastructure for the benefit of students and staff alike. The college has been able to improve upon sanitation by renovating and providing better facilities in wash-rooms, improving office environment through computerization, establishing seminar rooms, equipping class rooms with adequate furniture, establishing computer laboratories and Wi-Fi system, improving horticulture work, building cemented roads in the old campus, creating play grounds and a stage for cultural activities, such as music, dance

and drama, etc. Our endeavour has been to beautify the campus. I may mention here that both campuses of the college have seen better infrastructural facilities and improved academic air, which is always conducive to learning environment. I assure you, Sir, that we will continue our efforts in this direction.

NEW INITIATIVES

The college has a number of developmental activities lined up for implementation. First and foremost, we have taken initiatives for the construction of the new academic block with 48 class-rooms and 16 Science Labs in the new campus. The architect for the same was appointed some time ago. All efforts are being made to get statutory clearances from various authorities like MCD, etc.

2. An open air theatre stage with green-room was built in the play-field in the new campus. To make it more user-friendly, steps are being taken to cover the stage.

3. Repairs/Renovation work in of the existing new campus including toilets, corridors, class rooms, administrative block, parks and roads is underway. We hope to integrate soon the administrative staff in the new campus.

We have applied for the introduction of some new courses in the college, especially courses for which there is a lot of demand in society. We are awaiting approval of the Academic Council for introducing B.Sc. (Hons.) in Chemistry and Music as an elective subject at B.A. (Prog.) level. We hope to add some other courses in demand like B.A. (H) in Business Economics, B.Sc. (H) in Biotechnology, B.A. (H) in Journalism, B.Sc. (H) Biochemistry, job oriented courses; in near future.

SCHOLARSHIPS AND AWARDS

The college has a number of awards and scholarship to offer to its students who perform brilliantly in their chosen field of study.

Shraddhanand Scholarship has been instituted by Shri Mahendra Singh Khatri, the former Chairman of Governing Body. This is given to the student who scores highest aggregate marks in the examination.

Two scholarships of Rs. 1000/- each are awarded to the ward of an employee of the college and a blind student who score highest marks in any course. These two awards have been instituted by Shri Surender Shokeen (Department of Chemistry) in memory of his mother late Natho Devi and his father late Ch. Raghubir Singh.

I must conclude on a very sincere and heart-felt note of thanks-giving. I must express my gratitude to the Members of the Governing Body, especially its Chairman, Prof. S.C.Bhatla, and Treasurer, Prof. D.S.Rawat, for their unstinted support and contribution to the growth of the college.

I am thankful to Dr. Pankaj Bhan, Mr. Dharam Veer Bhardwaj, Administrative Officer and Mr. Pravesh Bhardwaj, for helping in compiling and writing this report.

I once again extend a warm welcome to you all. Thanks.
