- Presented paper on “Impact of Changing Monsoonal Pattern on Drylands of India: A Case of Nagaur District” at International Geographical Union Conference (IGU) Regional Conference, Kyoto (Japan) during August 4th-9th, 2013.
- Presented paper on “Local Knowledge and Forest Management in Changing Environment of Rajasthan Drylands in India: A Case of Sariska National Park” at International Geographical Union Conference (IGU) Regional Conference, Kyoto (Japan) during 4th-9th August, 2013.
- Presented paper on “Local Knowledge and Forest Management in Changing Environment of Rajasthan Drylands: A Case of Sariska National Park and Fringe area” at 1st Project Workshop on Regional Governance in Forest and its Fringe, Hiroshima Jogakuin University, Hiroshima, 3rd August, 2013.
- Presented paper on “Climate Variability and Resource Use Dynamics in Drylands: A Case Study of Nagaur District, Rajasthan, India” at International Geographical Union Conference, MDU Rohtak during 14th-16th March, 2013.

The department also organized two educational trips to Daman and Diu and Jaipur. The educational trip to Daman and Diu was co-ordinated by Dr. Preeti Sachar and Ms. Anjali Yadav. The students during the trip learned about the coastal geographical features and conducted a survey on status of tourism in Daman and Diu. The trip to Jaipur was co-ordinated by Dr. Subhash Anand. The students during the trip gained knowledge on the semi-arid environment and spatio-temporal characteristics of heritage tourism.

Aakriti Grover presented a paper on “*Relationship between spatial pattern of land use/cover and*

surface temperature using Landsat TM satellite data – A case study of Delhi” at 1st International Conference of Association of Punjab Geographers on Disasters, Natural Resource Management and Socio-economic Development, Kurukshetra University, 4th-5th October, 2013.

Dr. Ushvinder Kaur got a book published titled “Coping with cyclones in India” by Research India Press, New Delhi, 2014; Involved in NCERT developing resource material on manmade disaster management, 2013-14 are following:

Academic Achievements of Dr. Anand Malik, Associate Professor, Department of Geography, during session 2013-14.

Course Attended:

1. Completed certificate course/training in ‘Assessment and Management of Geological and Climate Related Risk’ from ‘Institut Des Sciences De L’Environnement, University De Genève, Switzerland from 13th April to 10th July, 2013.

Book:

1. Published a book titled ‘Dictionary of Geoinformatics’.

Papers/Posters:

1. Published paper on ‘Thomas Kuhn and Changing Paradigm in Geography: Critical Review’ in AJMS Vol. 2, No. 4 (ISSN: 2321-8819).
2. Poster presented on ‘Debris analysis using Flow-R model’ in *Institut Des Sciences De L’Environnement, University De Geneve*.

Workshop/Round Table attended:

1. 4th session of ‘Global platform for disaster risk reduction’, United Nation (UN), Geneva, Switzerland, from 19th-23rd May, 2013.
2. Round table with ‘International Organizations dealing with disasters’, conducted by University of Genève, Switzerland, on 3rd June, 2013.

Field Visits:

1. Seismotectonics Vuache fault for *Geological Fault Assessment*, France held from 20th-22nd April, 2013)
2. Vulcano, Stromboli Island for *Volcano Risk Assessment*, Italy (from 12th-19th May, 2013)
3. Les Diablerets for *Landslide and Flood Risk Assessment*, Switzerland (26th-31st May, 2013).
4. Manali Region for *Debris flow and Flow-R Model Validation*, Manali (India), from 22nd-30th November, 2013.

Lecture/Presentation delivered:

1. Two lectures delivered on the topic “Geoinformatics in Geohazards” & “Avalanche Problems in Manali Region” on 20th July, 2013 in Geoinformatics Course for College Lecturers conducted by Department of Geography, M.D. University, Rohtak, Haryana.
2. On the topic “Modeling slope hazards: Quantifying Snow Avalanches in Himalayas” on 21st

February, 2014, conducted by 'Geoform', Department of Geography, Delhi School of Economics (DSE), University of Delhi, New Delhi.

DEPARTMENT OF HINDI

The Department of Hindi organized various competitions during the year. Under the supervision of Dr. Pradeep Kumar, Teacher-in-charge, a Hindi poetry recitation competition was held on 22nd August, 2013. Talent Hunt Competition was held on 26th November, 2013. A Hindi Literary Quiz was held for Hindi (Hons.) students on 20th November, 2013. An educational trip was organized on 27th February, 2013 to Eco Friendly Village, Kair, Nazafgarh.

Dr. Vineeta Kumari, Associate Prof. published a book titled "Sant Sahitya Mein Samrasta Ka Swar" from Sahitya Sehkar Publication, Delhi. She delivered a lecture on 'Bhartiya Sant Sahitya Ke Srot' in a National Seminar conducted by Gujarat University on 10th February, 2013. She presented a research paper "News Channel: Vichar Aur Bazaar" in the national seminar conducted by Nav Unnayan Sahityik Society on 23rd February, 2013. Under her supervision, two students were awarded Ph.D. Degree from Delhi University and two other students are doing their Ph.D. under her supervision.

Dr. Anita Devi, Assistant Professor published a book entitled 'Premchand Ke Vichar' from Pachori Prakashan, in 2013. She has a huge contribution to the development of cultural activities in the college and is also an active member of the NSS Unit, and she did the following works during the year 2013-14:-

- Attended and presented a paper in two day national seminar on 'Media ka bazaar aur bazaar ka Media' organised by Aditi Mahavidyalaya on 19th-20th March, 2013.
- Participated in two day national seminar on 'Bhasha ki Rajaniti aur Rashtriya Asmita' organised by Atma Ram Sanatan Dharma College, University of Delhi in March, 2013.
- Participated in three days workshop on LLC-Hindi (Foundation Course) organised by CPDH, University of Delhi (UGC-ASC) on 8th July to 10th July, 2013.
- Attended and presented a research paper in a national workshop/seminar on 'Internet-yug me Mudrit Madhyamo ki Stithi' organised by Aditi Mahavidyalaya on 7th-10th October, 2013.
- Dr. Anita Devi, Assistant Professor published a book named 'Premchand Ke Vichar' from Pachori Prakashan, in 2013.

Dr. Sudhanshu Kumar, Assistant Professor, has been awarded Ph.D. in March, 2014 from University of Delhi. He published a book entitled "Sahitya Sandarbha" from Pachori Prakashan in 2013. He also published several articles in various magazines and referred research journals.

Dr. Aishwarya, Assistant Professor published a book review (Itihas ka Punarpath) in the "Samved" magazine. She also wrote a lesson for DC-1, Semester-2 "Godan: Krishi Sanskriti" (Paper-4) that is available on the website of ILL.

Published Work

- Published a chapter titled 'Print Media ka Vaicharik Paksh' in the book "Media ka bazaar aur bazaar ka Media", Aditi mahavidyalaya, University of Delhi published a paper on "Internet-yug me Mudrit Madhyamo ki Stithi".
- 'Vartaman Sandarbh me Bhudaan Aandolan' article published in ISSN numbered journal.
- Published a book entitled "Premchand: Upanyas sambandi Nibandh" published by Swaraj Prakashan.
- E-Paper on "Suraj ka Saatavan Ghoda: Vichar aur Samvedana" (DC-1, Semester-II) see online on https://docs.google.com/file/d/0B0Izh6GclA_DLU92Z2d4dk1HbVE/preview?pli=1

Under the supervision of Dr. Pradeep Kumar, Teacher-in-charge, Hindi Department organized various competitions during the year 2013-14.

A Hindi Poetry competition was held on 22nd August, 2013. Himanshu, B.Sc. (Hons.) Microbiology, 1st year got the first prize. Diksha Vats, B.Com. (Hons.) IInd year got the second prize and Jaidev Verma, B.Com. (Prog.) IIIrd year got the third prize. Kalyan B.A. (Hons.) Hindi & Lalita B.Sc. (Hons.) Chemistry got the consolation prize.

Talent Hunt Competition was held on 26th November, 2013. Monica, Hindi (Hons.) 1st Semester became Miss Fresher & Roshan, Hindi (Hons.) 1st Semester became Mr. Fresher.

A Hindi Literary Quiz was held on 20th November, 2013 for the students of Hindi (Hons.) Kalyan, Aarti, Nisha and Pooja of B.A (Hons.) IInd year students got the first prize.

Hindi Essay Writing Competition was conducted by department on 12th February, 2014 for under graduate students of all streams. Manish Tiwari, student of B.Sc. (Hons.) Microbiology, 1st Semester got first prize. Kalyan, B.A. (Hons.) Hindi, IInd year got second prize. Mamta, B.A. Hindi (Hons.), 1st Semester got consolation prize.

A seminar was organized by the department on "Soochna Prodyogiki ke Daur mein Hindi on 7th March, 2014 which was presided over by Dr. Harish Sethi, Associate Professor IGNOU, Dr. Puran Chand Tandon, Associate Professor, Hindi Department was the Chief Guest and Dr. Rakesh Sharma, Research Officer in the Central Hindi Directorate, MHRD as guest of Honour.

An educational trip was organized on 14th March, 2014 at World of Wonder, Noida.

Dr. Pradeep Kumar, Assistant Professor attended three weeks refresher course conducted by C.P.D.H.E., Delhi University from 12th-19th November, 2013 & 14th-28th December, 2013. He attended another three weeks refresher course conducted by Academic Staff Council, Jamia Millia Islamia University from 14th January, 2014 to 3rd February, 2014.

DEPARTMENT OF HISTORY

The department of history organized a debate on "Corruption in Indian Politics". A trip to historical monuments was also organized in this academic year. Teachers of the department were involved in prolific academic and non-academic activities. Faculty members' publications and achievements are as follows:

Dr. A.N. Jha: "The Sacred Geography of the Baidyanath Cult.- through its Holy Route from Ajgaibinath to Basukinath Dham"; "Rituals and Mode of Worship of The Baidyanath Cult."; "Understanding Prehistoric Santal Parganas"; "Integration of Vajrayan Buddhism into the Baidyanath Cult."; "The Baidyanath Cult.: A Synthesis of Shaiva and Shakt Tantra"; "Religion and Making of a Region: A Study of the Baidyanath Cult." and "Migration of Maithil Brahmanas to Santal Parganas".

Mr. Kumar Sanjay Singh completed a project under Indo-Canadian Shastri Fellowship and also contributed an article 'Fighting for the Past' in K.M. Srimali edited book essays in honour of R.S. Sharma.

Mr. Ranjan Kumar contributed Map work and list of Portraits in Devesh Vijay edited, Prarambhik Adhunik Europe mein Sanskritik Pariwartan, ed., Hindi Madhyam Karyanway Nideshalay, University of Delhi; and a chapter on "Madhyakalin Bhartiya Sangeet: Bhakti and Sufi" (Medieval Indian Music: Bhakti and Sufi) in Bhartiya Upmahadwip ki Sanskritian Part-I, edited by Prof. R.C. Thakran, Shivdutt, Sanjay Kumar, published from Hindi Madhyam Karyanway Nideshalay, University of Delhi, 2013.

Mr. Manish Sharma, Coordinator, Enabling Unit, established accessible computer lab in 2013 for the students and teachers with print disability in college. As a convener of SSN memorial lecture committee, he organized a talk on "Women and the Law in India" on 12th April, 2013 delivered by Dr. Indu Agnihotri, Director, Centre for Women's Development Studies, University of Delhi.

Dr. Aditi Gupta published a paper on Mughal Perception of European maritime supremacy and piracy in International Journal of Business, Management and Social Sciences, September, 2012.

Mr. Umesh Kumar published a paper on "Pracheen Bhartiya Shaskon ke Parasaparik Sambandhon ke Vividh Aayam", Anusandhanika, (Refereed Research Journal of Social Sciences and Humanities); "Gupta evam Samkaleen Shashak", Shodh Kalpataru (An International Multidisciplinary Research Journal, A Refereed Journal), No. 8, January-March, 2013; and "Prayavaran Sankat Aur Upay" Sambhavya (International Research Journal of Indian Cultural, Social and Educational Stream, A Refereed journal Published Tri monthly) No. 13, April-June, 2013, p.p. 87-94 (ISSN-0976-9358).

Dr. Sadhna Kushwaha, Asst. Professor achievements are as following:

1. Published a book titled "Vindhya Pradesh ka Udbhav aur Vikas" published by Shri Krishna Sahitya Sadan, Delhi.
2. Published articles as under:
 - a. Vindhya Pradesh ka Itihaas ka PrarambhiK Kaal (1948-1951), published by Vaak Sudha, in Sambhavya Ank-14, July-September, 2013 ISSN No. 0976-93582.
 - b. Vindhya Pradesh ki Bhagidari: Ptatham aam Chunav (1952) ke Sandarbh Mein, published by Vaak Sudha, ISSN No. 2347-66053.
 - c. Bundel Khand ki Sandhi ke Antargat aane wali Riyasaton ka Itihas, published by Vaak Sudha, ISSN No. 2347-6605.
 - d. Bharat mein Naari ki Dasha.

DEPARTMENT OF MATHEMATICS

The college has introduced B. Sc. (H) Mathematics from the session-2013-14. The department has organized a talk on "WORLD OF NUMBERS" by Prof. Ajay Kumar, Head Department of Mathematics, University of Delhi on 21st October, 2013. Mr. R.K. Srivastava, attended orientation program on foundation course "Building Mathematical Ability" at CIC (DU) from 12th-14th June, 2013. He is working as Examination In-charge of the college. Ms. Rajinder Kaur, Ms. Neha Ahuja and Ms. Swati have attended a workshop on "Finite Group: Theory & Applications" held at Deshbandhu College from 7th-9th February, 2014. Ms. Rajinder Kaur and Ms. Neha Ahuja attended a national conference on "Advances in Mathematics" held at Hansraj College on 7th and 8th March, 2014. About 40 students have attended a workshop on "Computer Science and Differential Equations" held at Deshbandhu College on 7th & 8th March, 2014. Dr. S.H. Raza has attended "Teachers Orientation Programme" on Mathematical Awareness meant for visually impaired students at CPDHE (DU) on 12th & 13th March, 2014. Dr. Seema Bansal is awarded by Ph.D. degree on 14th March, 2014 in 91st Annual Convocation Day. Ms. Rajinder Kaur and Ms. Swati have attended a Mathematica workshop on 20th March, 2014 held at GGSIP University.

DEPARTMENT OF MICROBIOLOGY

Poonam Nandal, Shivani Khatri, Gunjan Batheja (IIIrd Year) and Manti Kumar Saha (IInd Year) participated in Bio Quiz 'Think Tank' conducted at Shivaji College, University of Delhi on 24th March, 2014. They secured 1st Position in the same and were awarded a cash prize of Rs. 10000.00. Rahul Khatri, Veeru Jaiswal, Priya Poonia and Sumit Kishore obtained IVth position.

Pranay Dey, Gunjan Batheja, Saket Vatsa Mishra (6th Sem.) and Manti Kumar Saha (4th Sem.) along with Dr. S.K. Srivastava attended "Hands on Training on Molecular Biological Techniques in Biotechnology" at the Patel Chest Institute, University of Delhi in December, 2013. They also attended a two day National Symposium on Immunology and a workshop on Flow Cytometry & Q-PCR September, 2012 at AMITY University. Anadi Anant won the second prize in English poetry competition held at SSN College on 6th September, 2012. He bagged the first prize and Palak Malhotra got 4th prize in Debate competition at our college. Anadi along with Sumedha won 3rd prize in Paper Dance at SSN College on 6th March, 2013. He also served as the guest Radio Jockey at Akashvani Bhawan for a show, where he conducted the show very confidently and brought pride to our college. Varsha Chauhan's poster on "Female Foeticide" won a lot of applause and the first prize in a Rangoli competition held at Hansraj College. Manti Kumar Saha and Shweta Jaiswal won the 3rd prize in the same competition. Priyanka and Manti won a prize in Treasure Hunt competition on the same day at Hansraj College. Ayush Sharma, Purnati Khuntia and Shweta Jaiswal contributed articles in Chemistry Department Magazine. The students of 4th Semester and 1st Semester showcased their Innovation Projects at Antardhvani Festival of University of Delhi in February, 2014. A lecture on Bacterial Cellulose: A Futuristic Biopolymer with Immense Industrial Importance was delivered by Prof. R.K. Saxena, Founder Head, Department of Microbiology, University of Delhi, South Campus on 25th March, 2014. A lecture on Design of Living Systems was delivered by Prof. M.M. Chaturvedi, Director, Cluster Innovation Centre, University of Delhi on 27th March, 2014.

Dr. S.K. Srivastava became a member of American Association of Cancer Research (AACR). He also became a member of American Society of Microbiology. He was also elected a member of the Editorial Board of the Indian Journal of Virology, Springer Verlag. He participated in the Indo-US Flowcytometry workshop held at Medanta, the Medicity, Gurgaon. He delivered a popular science talk on 'Microbes and Human Health' at the National Science Centre, New Delhi. He presented a paper in VIROCON-2013 Asia Pacific Congress of Virology Presented a lead paper-entitled "Can the Nanotechnological Applications in Agriculture and Health Sector wait for the IPR issues?" in the Indo-US International Congress on IPR February, 2014 at Amity. He attended an International Translational Research Conference on Cancer by M.D. Anderson Cancer Research Centre, USA and Delhi State Cancer Institute on 6th-9th February, 2014 at Vigyan Bhawan. He attended an International Conference on "Lymphoma: Biology and Cancer" organised by Rajiv Gandhi Cancer Institute on 15th-16th February, 2014 at India Habitat Centre along with the students Komal Priya, Saket Mishra, Sneha Rai, Sumit Kishore and Veeru Jaiswal (6th Semester). He participated in Hands on Training on RNA Interference at Department of Biochemistry, IARI, New Delhi in March, 2014.

Dr. A. Archana authored a laboratory manual (co-author Dr. Aarti Nigam of Institute of Home Economics, University of Delhi) on Biochemistry, Immunology and Biotechnology that was published through Tata-McGraw Hill. Dr. Anjana Kapoor and Dr. A. Archana were invited to be the jury members at "INSPIRE" organized by University of Delhi in October, 2013, where they judged the innovative science projects prepared by school children coming from all over India. Dr. A. Archana co-authored a chapter on "Immune Disorders" for Indira Gandhi National Open University (IGNOU). Dr. Parvinder Kaur was the first author for a chapter entitled "Laboratory and Industrial Bioreactors for Submerged Fermentations" (2013) in "Fermentation Processes Engineering in the Food Industry" published by CRC Press, London. Dr. Parvinder Kaur was also the first author of an invited article on "Psychrophilic and psychotolerant mycelial fungi" (2014) submitted for a special issue of the journal 'Kavaka' on Extremophilic Fungi.

Two separate interdepartmental innovative projects from University of Delhi were sanctioned each to Dr. Anjana Kapoor on "Isolation, identification and process development of fungal Lipases for their potential applications in industry" and Dr. A. Archana and Dr. Parvinder Kaur on "Potability of MCD water supply across Delhi-NCR and testing the efficacy of the commercially available water purifying technologies", in association with Departments of Botany and Chemistry, respectively.

Dr. S.K. Srivastava, Dr. Parvinder Kaur, Dr. A. Archana, and Dr. Anjana Kapoor authored e-Chapters for first semester students of B.Sc. (Honours) FYUP Microbiology on Medical Microbiology, Bacteriology, Protozoology, Immunology, Industrial Microbiology and Microbial Ecology, invited by Institute of Lifelong Learning (ILL) of University of Delhi.

Dr. Prabin Dhangada Majhi published an original research paper on "Pathological implications of MUC16 in lung cancer" in Journal of thoracic Oncology in 2013. Also, two of his abstracts entitled "C terminal region of MUC 16 is critical for MUC 16 mediated tumorigenesis" as well as "MUC16 upregulates TSPYL5 gene and mediates Lung Cancer cell proliferation by suppressing p53 activity" were accepted for Annual Meeting American Association for Cancer Research.

Dr. Lakshna Mahajan also published many research papers on Apoptotic pathway; proteins involved in Asthma and Allergies, and presented a poster on "Innate immune molecule Surfactant protein-D unraveled for its anti-leukemic activity" in the 5th International Conference on Translational Cancer Research (Multitargeted Approach to Treatment of Cancer) at New Delhi February, 2014.

DEPARTMENT OF PHYSICS

Dr. Vinod Prasad was the supervisor for Ms. Urvashi Arya, Dept. of Physics and Astrophysics, University of Delhi on the topic "Effect of Intense Laser Fields on Atomic Excitation and Rotational Dynamics of Polar Molecules" for her Ph.D. awarded and Mr. Rohan Trivedi, Dept. of Geoinformatics, University of Petroleum & Energy Studies Dehradun, Uttarakhand for his B.Tech. Summer project on 'Dynamics of Particle in Quantum Box' during the last academic session. He is reviewer of several international Journals, as Physics Letters, A Journal of Luminescence, Optics Communications, Superlattices and Microstructures, Indian Journal of Pure and Applied Physics, Indian Journal of Physics.

He participated in following Academic Activities During 2013-14:

- Dr. (Ms.) Urvashi Arya of Dept. of Physics and Astrophysics, University of Delhi was awarded Ph.D. under his supervision. Title of the thesis was "Effect of Intense Laser Fields on Atomic and Rotational Dynamics of Polar Molecules".
- Two of B.Tech. Students guided for their summer project. One Title of the project was 'Dynamics of Particle in a box in chirped laser pulses'.
- In addition to above Dr. Vinod Prasad reviewed research papers of the following international journals: Physics Letters A, Journal of Luminescence, optics and Communications and Indian Journal of Physics
- Dr. Vinod Prasad and his group published following research papers :
 - (i) Dynamics of orientation of adsorbed polar molecules in static electric and laser field: Brijender Dahiya, Ashish Tyagi & Vinod Prasad *Molecular Physics*, 2013 <http://dx.doi.org/10.1080/00268976.2013.856487>.
 - (ii) Asymmetric effects on the optical properties of double-quantum well systems; Poonam Silotia, Kriti Batra and Vinod Prasad in the Journal of Modern Physics, 2013, p.p. 4, ISSN 1139-1148.
 - (iii) Dynamics of Particle in Confined-Harmonic Potential in External Static Electric Field and Strong Laser Fie: Shalini Lumb, Sonia Lumb, Vinod Prasad *in the Journal of Modern Physics*, 2013, 4, ISSN 1139-1148.
 - (iv) Pulse train induced rotational excitation and orientation of a polar molecule Ashish Tyagi, Urvashi Arya, Bhavna Vidhani and Vinod Prasad Accepted for publication in *Spectrochimica Acta Part A* (2014).

Mr. Brijender Dahiya, Assistant Professor, participated in International Conference on Nanoscience and Nanotechnology (ICNN-2013) Lucknow, India, November, 2013 and delivered a *Young Researcher* talk on "ä-doped artificial atom in presence of intense laser field and electric field".

Dr. Mukesh Kumar published Proceeding of "National Seminar on Electrical Energy: Safety & Conservation" 2012, published by Shri Krishna Sahitya Sadan; Proceeding of "National Workshop on Computational Science", published by Excel India Publishers. He was also E-Proceeding Editor of Short Term Courses (SSNC & MGICCC) i.e. Environmental Sustainability: Role of Science & Technology, 2013; and Energy & Climate Change (Focus on Computational methods), 2012. "Role of computational science in understanding physics" by Mukesh Kumar presented at EDULEARN13 proceeding on 1st-3rd July, 2013, Barcelona, Spain.

1. Research Paper Published:

- a. "Investigation of High Altitude Electromagnetic Pulse Propagation under Relativistic Effect of Electrons" by O.P. Malik, Mukesh Kumar, Sukhmander Singh, and Hitendra K. Malik in "National Seminar on "Applications of Basic Sciences in Engg. & Technology" by Echelon Institute of Technology, Faridabad on December 27th-28th, 2013.
- b. "Production of Plasma and Its Effect on High Altitude Electromagnetic Pulse Propagation" by O.P. Malik, Mukesh Kumar, Hitendra K. Malik, and A. Kumar in the proceeding of International Conference on Recent Trends in Electronics Communication & VLSI", organized by Al-Falah School of Engineering & Technology, Faridabad on October, 2013.
- c. "Role of Computational Science in Understanding Physics" presented at EDULEARN-13 proceeding on 1st-3th, July, 2013, Barcelona (Spain).

2. Articles Published:

- a. Nature, Symmetry & Conservation Laws by Mukesh Kumar in GRAVITY, Vol. VI (2014) publish by Physics Society SSNC.
- b. Electrical Energy Conservation & Safety by Mukesh Kumar in proceeding of National Seminar on Electrical Energy: Safety & Conservation publish by Shri Krishna Sahitya Sadan (2013).

3. Presented a poster on Environment and Vehicle Heat along with Sagar Dahiya in RTIS Conference, 2014.

4. Proceeding of "National Seminar on Electrical Energy: Safety & Conservation" published by Shri Krishna Sahitya Sadan.
5. Editor of E-Proceeding of Short Term Courses (SSNC & MGICCC) "Environmental Sustainability: Role of Science & Technology", 2013.

6. National Conference/Workshop organized:

Training	Period	Position
MGICCC (Govt. of NCT Delhi) and SSNC (DU)	7 th -8 th February, 2014	Workshop Convener
MGICCC (Govt. of NCT Delhi) and SSNC (DU)	24 th January, 2014	Course Convener
Exhibition on Solar Energy Technology at New campus, Swami Shraddhanand College 	28 th February, 2014	Coordinator

7. Short term course organized:

Training/Courses	Year	Position/Organizer
Short Term add-on course on "Environmental Sustainability: Role of Science and Technology"	October, 2012-January, 2013	Course Coordinator

8. International/National Conference/Seminar attended:

Title of Conference & Seminar	Period	Organizer
EDULEARN13-International Conference an Education and New Learning Technologies	1 st -3 rd July, 2013	IATED Barcelona (Spain)

9. Online Certificate Course:

- Energy 101 (Georgia Institute of Technology, Atlanta, USA)
- Science from Superheroes to Global Warming (University of California, Irvine, USA)

10. PHYSICS SOCIETY EVENTS COORDINATOR

- Chief Editor of Physics department student Educational Magazine "Gravity", Vol-VI (2013).
- Intra-class Chess Competitions (2014) jointly organized by Physics Society and Dept. of Physical Education and Sport at SSN College in February 2014.
- "GREAT KOAN-2014" Intra College Physics Quiz, February-March 2014.
- One day Refresher Course in Physics on 20th March, 2014.

Dr. Monica Gambhir, Assistant Professor in the department of physics reported theoretical research on the linear and nonlinear optical absorption coefficients and changes in the refractive index in a quantum disk in the presence of a static magnetic and a laser field. She published the findings in the prestigious Journal of Luminescence Vol. 143, p.p. 361-367 (2013).

Dr. Shiva was the member of Jury for evaluation of 3rd National Level Exhibition and Project Competition (NLEPC)- 2013 under INSPIRE Awards component of Department of Science and Technology during October 8-10, 2013.

DEPARTMENT OF POLITICAL SCIENCE

The Department of Political Science organized a National Seminar entitled *Debating the Politics of Development and Governance in Contemporary India* on 17th October, 2013. Mr. Manish Kumar was the convener, Mrs. Bina Dalal was Organising Secretary, Mr. Krishna Murari was Co-convener and Mr. Pankaj Lakhera, Mrs. Kiran Singh and Dr. Jagpal Singh were the members of organizing committee. Mrs. Kiran Singh hosted the seminar in its all four sessions. Vote of thanks was made by Mrs. Bina Dalal and conclusion of the seminar was made by Mr. Pankaj Lakhera. Prof. Balveer Arora, Pro-Vicechancellor, JNU was the Chief Guest and Prof. K. N. Kabra, Indian Institute of Public Administration, was Guest of Honour. Inaugural session was chaired by Prof. M. P. Singh, Deptt. of Political Science, University of Delhi. It was followed by three interactive sessions in which esteemed scholars from different universities in India presented their scholarly written papers.

Mr. Manish Kumar (Teacher in-charge) arranged a visit to the parliament for the students of B.A. (Hons.) Political Science during the Monsoon Session on 13th August, 2013. He also arranged a educational trip to 'Yakult Danone' along with commerce Department in accordance with the course work of 'Business Entrepreneurship and Management'. He also conducted a debate competition cum welcome function for freshers on 3 September 2013. He attended a National Seminar on *Constitutional Development and Nation Building in India* held on 26th-27th September, 2013 organised by Kirori Mal College, University of Delhi.

Mr. Pankaj Lakhera registered himself for Ph.D. from Department of Political Science, IGNOU. He concluded the National Seminar organized by the department. He has also attended a UGC CAS-SAP International Conference on *State and Democracy in South Asia* conducted by Department of Political Science, University of Delhi on 28th February-1st March, 2014.

Mr. Krishna Murari co-authored a book in current academic session (authored by Prof. L. N. Sharma) *Rajneetik Samajshastra: 21vi Shatabdi ke Badalte Sandarbh mein*, published by Orient Blackswan, New Delhi, 2014. Another book is under publication (Coauthored with Prof. M. P. Singh), *Bhartiya Samvidhan, Shasan Evam Rajneeti*, by Hindi Medium Implementation Division, University of Delhi, Delhi. In this academic session he contributed chapters in several edited books as follows:

- "Bhartiya Rajneetik Vyavastha: Ek Punraavalokan", in M. P. Singh and Himanshu Roy eds. *Bhartiya Rajeetik Pranali: Sanrachna, Neeti, evam Vikas*, Delhi: Hindi Implementation Division, Delhi University, 2013, pp. 853-873. (ISBN: 978-93-80172-58-3)
- 'Gujarat Vikas ki Yatharth Gatha' in K. N. Kabra et. al. (eds.) *Vaikalpik Arthic Samiksha, 2013: Nav-udarvadi neetiyen – Nakami aur Duragrah*, 2013, pp. 145-152. (ISBN: 978-93-83354-00-9)

PLACEMENT CELL

The Placement Cell of our college has been very active throughout the academic session 2013-14. From the very beginning the committee gave a clear message to the students that the job of the placement cell is not to provide jobs but how to make them employable. The committee emphasised that the skill development, whether it is personality development or communication skill or technical skills, is of prime importance to grab jobs. The committee endeavored to organise various seminars and workshops in this regard. Members of the committee are Dr. Prabhakar Palaka (Convener), Dr. Ruby Gupta, Dr. Suman Yadav, Mr. Manish Kumar.

- On 3rd October 2013 a day-long workshop was organised for the students of Science and Geography on Career Opportunities in the field of Photogrammetric and Geoinformatics. Resource persons from Institute of Photogrammetric & Geoinformatics (IPGI) and Matrix Geo Solutions Pvt. Ltd. gave a power-point presentation explaining the career opportunities and various technical courses (short/long term) related with the job opportunities.
- On the 10th of November, 2013 another workshop was organised by the placement cell of the college on Study Opportunities Abroad. Resource persons from the University of Sussex

gave a power-point presentation on the universities and courses offered by them. They also explained in details how to get scholarships and other part-time job opportunities for the students.

- A three-day workshop (21st to 23rd January, 2014) was organised by the committee on Skill Development. Resource persons from Team Lease, one of the largest staffing company in collaboration with IIJT briefed the students through power-point presentations on the Govt. scheme called STAR launched by Ministry of Finance, Government of India, an initiative to make India a Skilled India. Through this scheme, the government. intends to spend around Rs.10000 on each candidate who registers himself/herself to be trained. Over the three days of workshop, around 1000 students participated. Lively discussions took place after every presentation. About 200 students have grabbed these opportunities and registered themselves to undergo training for near about a month. To make it much more easier, classes for the same have been arranged to take place in the college premises.
- The committee intends to hold a three-week crash course for personality development and development of communication skills. The committee has already collected applications from the interested students. We are going to start the classes shortly. A programme like this for the students of a college like ours which is situated in rural place will definitely build up their confidence level.

As members of the committee it gives us lots of satisfaction and joy to see our students growing as skilled youth.

ENABLING UNIT

Being a signatory to the United Nation Convention on the Rights of Persons with Disabilities, India acknowledges that all educational institutions of the country will be inclusive and would provide reasonable accommodation to persons with disabilities for providing quality education. Swami Shraddhanand College has displayed sensitivity towards this development and has taken sincere steps to create a disabled friendly environment in the college. Hence, a computer lab was set up for print disabled students and teachers inside the library premises equipped with modern and up to date software. In order to make the college accessible for the persons with disability various initiatives were taken such as building of ramps on all parts of the new campus and construction of disabled friendly toilets on all the three floors of the building.

Apart from these initiatives, the students with visual disability have been provided laptops equipped with essential software, which would help them to read and store E-books and prepare notes. The college library in association with the Enabling Unit has also provided them the digital audio

recorders (Angels) in order to facilitate them for recording of lectures in the class room. Finally, the Enabling Unit is in the process of getting mathematic kits to the visually challenged students from the office of Equal Opportunity Cell, University of Delhi.

NSS

The NSS unit of Swami Shraddhanand College is a sincere and committed body of students who wish to serve the society in every possible manner. To guide them, the college has a body of dedicated staff who genuinely wish to serve the society. The team consists Dr. Aditi (Programme Officer), Dr. Anita Devi, Dr. Pratibha Rana, Dr. Sadhana Kushwaha, Ms. Neetika Sharma. The NSS Unit organised many activities during 2013-14. The session started with an orientation programme for the new batch of volunteers. A *poster-making* competition on gender discrimination was organised to create awareness against gender bias among students. The topics given to them were- gender bias, female foeticide and female safety. The election of *NSS office-bearers* was held for the posts of President, Secretary and Convener on the basis of a two-minute speech on the working and importance of the concerned post, on 24th August, 2013, in which Saurabh Kumar, Tamanna Khan and Parkash Mishra were elected on the respective posts, with Shahbaz Khan as Deputy Secretary and Kalyan as co-Convener. In September, 2013, the NSS team visited a *Children's Home Complex*, where they met children and adults who, though taken well care of by the staff, require additional skills to stand-up on their own or also for hobby or personality development purpose. The volunteers have made a note of their requirements and are soon to begin a fifteen-day course on English-speaking, and Art and Craft. They also felt the need to organize a lecture on health and hygiene, which is in the row. Student volunteers helped in organizing the *Diwali mela* a week before Diwali, in a bid to help the self-help groups (of women and handicapped girls) sell their hand-made products, in October, 2013. *United Nations Day* was celebrated on the day of its foundation i.e. 24th October, 2013 with a lecture and poster-making competition on MDGs (Millennium Development Goals) of United nation. On 25th November, 2013 under the aegis of Ministry of Home Affairs, the *Communal Harmony Day* was observed on 25th November, 2013 by NSS unit and volunteers. Posters received from NFCH, New Delhi, were pasted on walls of the college. A *painting competition* was organized on the theme of communal harmony to spread awareness among students on the issues of caste, communal and ethnic violence. During the communal harmony week i.e. from 19th-25th November, 2013 an *essay-writing competition* was organized on the issues of caste, religious and ethnic violence. Stickers were given to the NSS volunteers to distribute them and collect funds. On 25th November, 2013 *Flag Day* was organized with posters and slogans. Committing themselves to environment in campus, NSS volunteers enthusiastically cleaned the college campus on 20th January, 2014, to make people aware of cleanliness and dignity of manual labour. On 6th March, 2013 a "*Vitaran*" programme was organised to distribute donated books and clothes to the needy people in the slums of Badli area. The NSS volunteers have of late started a book-bank for the needy and underprivileged children.

GYANODAYA: Education on Wheels-20132-14

This was the educational train trip to Punjab in which students and teachers of the college participated. It was flagged off on 2nd September, 2013 at 8 A.M. by Hon. Minister of State for Railways Shri. A.R. Chowdhary and the Hon'ble Vice-chancellor Prof. Dinesh Singh. The train covered places of historical and national significance. Several projects were also undertaken during the journey availing the facility of Train Library. The train was internet equipped. Students were told about the proper code of conduct during the journey and identical travel kit and uniforms were distributed. The valuable experience of train journey will always be cherished.

For the **Gyanodaya-4**, a special venture of the Delhi University, in collaboration with IRCTC, the theme was '**Urbanization: Now and Then**'. Aiming towards educating students through practical experience and direct exposure, it is a step towards the concept of college-on-wheels. It gave a delightful experience which the students could not otherwise have had. Our college was represented by Dr. Aditi and 15 students- Reena, Lalita, Pooja, Aakansha, Dushyant, Rahul, Yudhishter, L.A. Kamran and Vivek of B.Sc. Chemistry (H); Rajan, Vaibhav, Vikram, Piyush Kasariya, Himanshu and Akshay of Economics (H). Leaving from Safdarjung railway station, Delhi, on the night of 11th March, 2013, they reached Kanpur on 12th. Visiting the bank of River Ganga, they moved on to the beautiful campus of IIT-Kanpur. The Dean of IIT-Kanpur addressed the students of Delhi University and then they gave a PPT presentation on the history of the institution and its courses etc. On 13th, they reached Varanasi where on the first day visited the Banaras Hindu University. There they saw the Bharat Kala Bhawan which is renowned for its collection of ancient, medieval and modern art works, artefacts and sculptures. In the evening, visited the Diesel Locomotive Works where a presentation was given on its history. The students could also have a look at the industry where

the rail engines were being made. On 14th, visited the Sarnath, which is an ancient Buddhist site famous because here Buddha gave his first sermon. Reaching Bhopal (M.P.) on 15th, they visited Sanchi Stupa, also a Buddhist site. On 16th morning, they visited a stone age site called Bhimbetka, famous for its rock art & in the evening visited the Lower Lake View. Reaching Ahmedabad on 17th visited Lothal, a Mohenjo-Daro Heritage Site and its Museum & in the evening visited Sabarmati Ashram, where our father of the nation, Gandhiji once lived. Within its premises is a gallery of his paintings and other memorabilia, a museum and his residence. Since our festival Holi fell on same day, we celebrated Holi with just a *tika* and a DJ party and dinner in a hotel. On 18th, after reaching Surat, they have visited the Police Headquarters where they showcased weapons and bomb-detecting instruments to them. They were then also taken to the Surat Diamond Institute, where they gave a presentation on the quality, types, trade and manufacture of diamonds and then visited the state-of-art Sanjeev Kumar Auditorium inside the Surat Municipal Corporation, where they gave a presentation on its working, projects in pipeline and achievements. Their journey's last ended with a visit to the famous Bombay Market which is a wholesale market of Surat's famous cotton sarees. Boarding the train on 18th night, they reached Delhi on the night of 19th March, 2014. It was an amazing and informative journey for the students.

GANDHI STUDY CIRCLE

Dr. A.K. Dubey, Convener, Gandhi Study Circle organized a seminar and essay writing competition on "Mahatma Gandhi and Non-Violence" on 28th February, 2013. The essay writing competition topic was "Communal harmony and peace: A reference to Gandhian thought". In this seminar Professor (Ms.) Ashum Gupta, Director, Gandhi Bhawan, University of Delhi was the chief guest and Dr. Y.P. Anand, Former Chairman, Railway Board and Director, Gandhi Museum was the main speaker. Dr. Anand's presentation was thought provoking. The seminar was well attended by the Governing Body member Father Thomas Sabastian, Principal Dr. S.K. Kundra, Vice-Principal Dr. R.K. Joshi faculty members and students. 44 students participated in the essay writing competition in which Shruti B.A. English (H) IIIrd year won the 1st prize and Sindhu Jha B.A. History (H) IIIrd year got 2nd prize.

STUDENTS UNION

Being the representative of the students, the students union act as the channel between students and the college administration. The students union co-operated with the college in creating a huge parking lot. They organised two blood donation camps and awareness programme in the college premises. They also contributed in organisation of freshers' welcome celebration and the college fest. They are very concerned and active in protecting the rightful interests of the students.

PROCTORIAL BOARD

The Proctorial Board under the convenorship of Mr. Provakar Palaka did a remarkable job of enforcing discipline among students. He deserves a lot of appreciation for her dedication and integrity.

ACADEMIC ADVISORY COMMITTEE

Sh. R.K. Srivastava along with Teacher-in-charge of various departments did a commendable job in streamlining the process of examination reforms in the college. This includes conducting the Home Examination, strengthening Internal Evaluation process and setting up the master time-table for the smooth functioning of the academic schedule of the college.

ACHIEVEMENTS OF ADMINISTRATIVE STAFF

During the last year, we have been able to achieve all-round improvement in the functioning of the administration and accounts section of the college. For affecting these reforms, credit for this goes to Mr. Dharam Veer Bhardwaj, Administrative Officer (Oftg.), Mrs. Kanchan Saluja, Section Officer (Accounts), Mr. S.K.Dahiya, S.O. (Admn.), Mr. Rahul Pathak, Mr. Bal Kumar and Mr. Pravesh Bhardwaj among others. With their support, we have been able to introduce overall computerization of the college functioning both in the administration and the accounts departments. Mr. Pravesh Bhardwaj has completed MBA-HR/Marketing in 2013.

INFRASTRUCTURAL ACHIEVEMENTS

I have the pleasure to say that the dignitaries on the dais have made a positive and meaningful contribution to the growth of the college. I am confident that we will continue to have privilege of their extended whole-hearted support to the college in the future too. We were able to provide a huge planned parking lot for staff and students. The College has been able to improve upon sanitation by renovating and providing better facilities in wash-rooms, improving office environment through computerization, establishing seminar rooms, equipping class rooms with adequate furniture, establishing computer laboratories and Wi-Fi system, improving horticulture work, building cemented roads in the old campus, creating play grounds and a stage for cultural activities, such as music, dance and drama, etc. Our endeavor has been to beautify the campus. I may mention here that both campuses of the college have seen better infrastructural facilities and improved academic air, which is always conducive to learning environment. I assure you, Sir, that we will continue our efforts in this direction.

NEW INITIATIVES

The college has a number of developmental activities lined up for implementation. First and foremost, we have taken initiatives for the construction of the new academic block with 48 classrooms and 16 Science Labs in the new campus. The architect for the same was appointed some time ago. All efforts are being made to get statutory clearances from various authorities like MCD, Urban Art Commission, Fire department etc.

2. To make it more user-friendly, steps are being taken to cover the open-air stage within two months.

3. Further Repairs/Renovations of the existing campus will start soon as the tender process for the same has almost been completed. Roads in the campus will be re-laid.

SCHOLARSHIPS AND AWARDS

The college has a number of awards and scholarships to offer to its students who perform brilliantly in their chosen field of study.

Shraddhanand Scholarship has been instituted by Shri Mahendra Singh Khatri, the former Chairman of Governing Body. This is given to the student who scores highest aggregate marks in the examination. This year award goes to Ms. Vibuti Kumar Shah, B.Sc. (H) Microbiology-IIIrd year, who secured 2740/3500.

Two scholarships of Rs. 1000/- each are awarded to the ward of an employee of the college and a blind student who score highest marks in any course. These two awards have been instituted by Shri Surender Shokeen (Department of Chemistry) in memory of his mother Lt. Natho Devi and his father Lt. Ch. Raghubir Singh.

Sultan Chand Dropadi Devi Memorial Scholarship of Rs. 4654/- goes to Ms. Shalu Chauhan who holds first position in B.Com. (Hons.) IIIrd year.
