## ABOUT NATIONAL SERVICE SCHEME

The National Service Scheme (NSS) is an [Indian government](#)-sponsored [public service](#) program conducted by the Ministry of Youth Affairs<sup>LI</sup> and Sports of the [Government of India](#). Popularly known as NSS, the scheme was launched in [Gandhiji's](#) Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages)

### HISTORY OF NSS

After independence the [University Grants Commission](#), headed by [S. Radhakrishnan](#), recommended the introduction of voluntary [national service](#) in academic institutions. This idea was again considered by the Central Advisory Board of Education (CABE) at its meeting in January, 1950; after examining the idea and the experiences of other countries in this field, the board recommended that students and teachers should devote time to voluntary manual work. In the draft [first Five-Year Plan](#) adopted by the government in 1952, the need for social and labour service by Indian students for one year was stressed. In 1958 [Jawaharlal Nehru](#), in a letter to the chief ministers, considered the idea of social service as a prerequisite for graduation. He directed the Ministry of Education to formulate a suitable scheme for the introduction of national service into academic institutions.

### LAUNCH OF NSS

In May 1969, a conference of student representatives (of universities and institutions of higher education) convened by the Ministry of Education and the University Grants Commission also unanimously agreed that a national-service scheme could be an instrument for national integration. The details were soon worked out and orientation camp was organized at Rajghat. This camp was concluded on 7 June 1969. KKGupta from DU was declared first volunteer. The Planning Commission sanctioned an outlay of ₹5 crores for the NSS during the Fourth Five-Year Plan, stipulating that the NSS be a pilot project in selected institutions and universities. On 24 September 1969, the then Union Education Minister [V.K.R.V. Rao](#) launched the NSS at 37 universities all states. The scheme has been extended to all states and universities in the country, and also +2 level institutes in many states

### SYMBOL OF NSS

The symbol for the NSS has been based on the giant Rath Wheel of the world-famous [Konark Sun Temple](#) (The Black Pagoda) situated in [Odisha](#), India. The wheel portrays the cycle of creation, preservation and release. It signifies the movement in life across time and space, the symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represents 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is tiny part, ready to contribute its share for the welfare of the mankind. It stands for continuity as well as change and implies the continuous striving of NSS.

### MOTO OF NSS

**“NOT ME BUT YOU”**
