

# Placement Cell Report (2021-2022)

**Convenor:** Dr. Ruby Gupta

**Co-Convenors:** Mr. Manish Kumar

**Members:** Dr. Vibhuti Singh, Ms. Yashika Verma

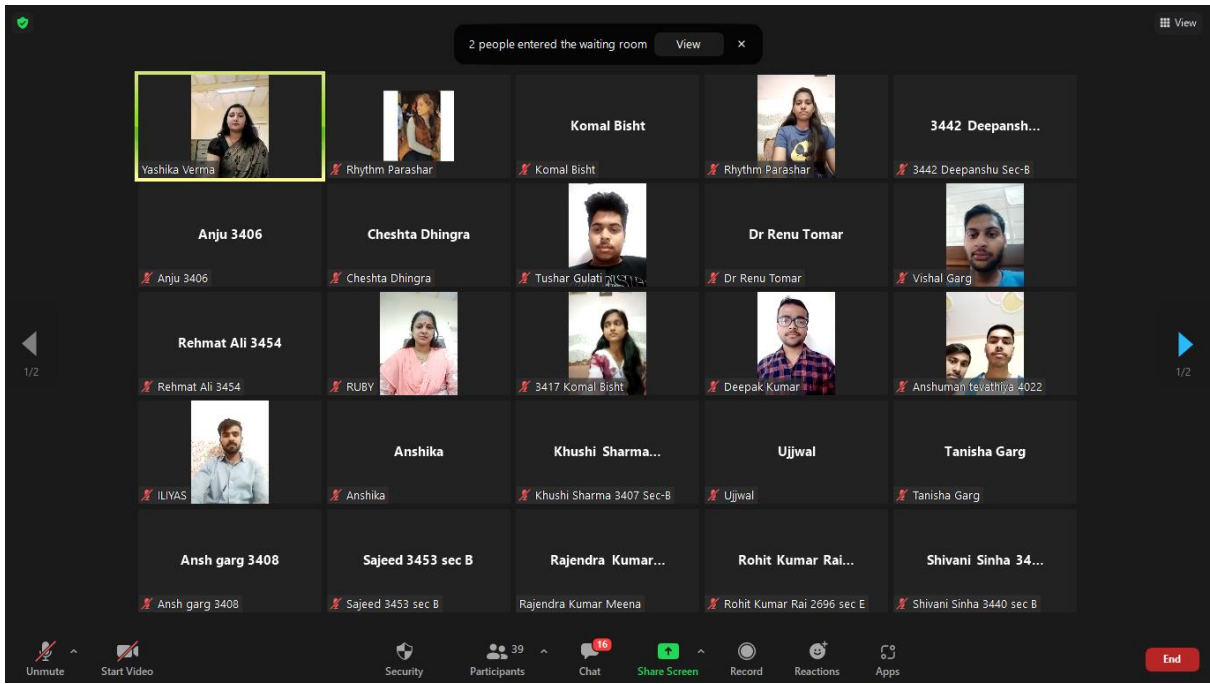

The newly formed Placement Cell of Swami Shraddhanand College, University of Delhi aims to be a liaison between students and companies. It plans to provide assistance to students and ability to think out of the box as it conducts Webinars, Seminars, Workshops, Personality Development Program, Guest Lecturers etc. are to be regular affairs and the students get ample opportunities to closely interact with professionals from different industries.

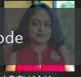

## **Main objectives of Placement Cell includes:**

- Interact with the Corporate for Internship & Placement Activities.
- Arrange Guest Lectures by the experts from industry.
- Arrange Soft Skills training programs for the students.
- Arrange both In Campus and Off Campus placement procedures.
- Encourage the industry to support the project and laboratory training.
- To generate Entrepreneurship awareness amongst the students.
- To interact with Alumni.

On 23 March 2022, the Placement Cell organized a webinar on 'How to express yourself in an interview'. The rightful resource person invited was Dr. Deepak Singh, Chief Human Resource Officer India & MENA at Protiviti.

In today's employment world, it is more important than ever to have strong interviewing skills. The most common reason for this is that college graduation rates are increasing and students will be leaving college with more competition. To provide some advantages to our students, Dr. Singh gave many insights on how to captivate your interviewer's attention and stand out among competition. Later on, he interacted with the students and teachers and refuted a great deal of their queries. The webinar ended on a note of gratitude.

On **4th August 2022**, the Placement Cell in collaboration with Beacon IAS organized a webinar on 'Topper's Talk by SHRUTI'. The resource person invited was Ms. Shruti.

Shruti shared her experiences as a University of Delhi student of Botany Department and how she managed her preparations for IAS examination along with DU examinations. She discussed about the difficulties faced for arranging books and study material and guided students how to focus on their aim if they wish to be an IAS. Later on, she interacted with the students and teachers and refuted a great deal of their queries. The webinar ended on a note of gratitude.
