

The Department of Microbiology has organized an expert talk on “**Career Opportunities for Microbiologists**” by **Prof. Arvind M. Deshmukh** (President, Microbiologists Society, India -MBSI) on 19th April, 2023 at 11 am in the Seminar room of Swami Shraddhanand College, University of Delhi.

Prof. Deshmukh is a nationally renowned person with over 37 years of teaching and research experience. He is the founder and current President of the prestigious scientific society, Microbiologists Society, India (MBSI). Prof Deshmukh is actively engaged in organizing seminars, workshops, and conferences at National and International platforms for spreading the knowledge of Microbiology.

In the session, he provided fundamental knowledge and recent developments/advancements in the field of Microbiology. He guided students about the different career opportunities available for microbiology students. Further, he motivated students to make proper career choices as per their interests. Almost 100 participants (students/teachers) got benefitted from the talk session.
