**About the Seminar:** The Department of Environmental Studies and IQAC organized the Webinar on the topic “COVID 19 AND ENVIRONMENT: PRESENT BENEFITS, FUTURE CHALLENGES AND WAY FORWARD” on 25<sup>th</sup> May 2020 at 11:00 am on google meet. Prof. Suresh Jain from Indian Institute of Technology, Tirupati was the chief speaker. He presented the Impacts of lockdown period during the Corona pandemic on the air quality of major metropolitan cities of India with grater emphasizes on the capital, Delhi. The presentation was very appealing and useful. Students understood the facts with the help of comparative data and pictures. More than 100 Students and faculty members enjoyed the presentation and found it very effective and insightful session.
